Surah Al-Qariah (The Striking Calamity)

1. *The Striking Calamity*
 - This refers to the Day of Judgment, a day that will strike the hearts with fear and shock.
2. *What is the Striking Calamity?*
 - A rhetorical question to emphasize how serious and terrifying this day will be.
3. *And what can make you know what is the Striking Calamity?*
 - This repeats the question to stress that no one can fully understand how intense this event will be.
4. *It is the Day when people will be like moths, dispersed.*
 - On that day, people will be scattered in confusion, moving around like moths flying aimlessly towards a light.
5. *And the mountains will be like wool, fluffed up.*
 - The strong mountains will become weightless and soft, like fluffy wool blown around by the wind.
6. *Then as for one whose scales are heavy [with good deeds],*
 - Those who have done many good deeds will have their good deeds weigh heavy on the scale.
7. *He will be in a pleasant life.*
 - These people will live a happy and comfortable life in Paradise.
8. *But as for one whose scales are light,*
 - Those who didn't do enough good deeds, or did more bad than good, will have light scales.
9. *His refuge will be an abyss.*
 - Their final home will be a deep, terrible pit (Hell).
10. *And what can make you know what that is?*
 - Again, this stresses how terrifying this abyss will be.
11. *It is a Fire, intensely hot.*
 - This is a fire hotter and more painful than anything we can imagine
