## Preface

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

الحمد لله وحده والصلاة والسلام على من لا نبي بعده وعلى آله وأصحابه أجمعين، أما بعد:

### CURRENT SITUATION

Most of the Muslim parents in our modern era are inclined towards imparting quality education to their children. Sensitizing the need for Islamic education along with the contemporary education, they are on a lookout for institutions that can fulfill this need. As such there is a spree of Islamic Schools across India and the globe and many enterprising Muslim individuals and institutions have taken up this responsibility of imparting quality education along with Islamic education under one roof. Apart from finding qualified teachers, the next big challenge that most of the Islamic schools face today is of, "A Standard Islamic Syllabus" that caters to the Islamic upbringing of the young children, keeping up the latest trends in education. Many efforts have been made by various institutions to address this issue. **ABM PRINT TIME** is also one amount such efforts about which is mentioned below.

### ABM CURRICULUM INSIGHT

The need of the hour was to design an Islamic syllabus tailor-made to suite the age group of the children from Nursery to Grade 9 and at the same time, be sensitive to the external environment around us so as to protect the interests of all the stake holders living in a pluralistic society. A syllabus that does not have fairytales but that includes the subjects from authentic sources of Islam on:

<b>Aqeedah</b>	: Islamic Creed
<b>Seerah</b>	: Life of our beloved Prophet ﷺ
<b>Fiqh</b>	: The Islamic Jurisprudence
<b>Aadaab &amp; Akhlaaq</b>	: Etiquettes, Manners & Character building
<b>Hifz-e-Quran</b>	: Memorisation of the Qur'an with translation
<b>Hifz-e-Hadith</b>	: Memorisation of the Hadith with translation
<b>Qisas</b>	: Moral Stories from Qur'an & Seerah
<b>Nasheed</b>	: Islamic Rhymes & Poems
<b>Muhazaraat</b>	: Prepared Speeches
<b>Activities</b>	: Excercises and Project Works

All the above along with the contemporary subjects should be taught under the same roof, so that our children become experts in all these facets and aspire to be a dayee and a scholar promoting Peace and true concept of salvation. In-Shaa-Allaah, this is the Mould we intend to design.

### ABM SYLLABUS OBJECTIVE

The children following ABM Syllabus from Nursery to Grade 9, In-Shaa-Allaah, will have a strong base in Islamic Principles and also in Arabic Language and can easily take-up and absorb the next level of Islamic knowledge on subjects like Uloomul Qur'an, Uloomul Hadith, Uloomul Aqeedah, Uloomul Fiqh, Uloomul Usrah, Uloomud Dawah, Uloomul Buyoo etc.

## ABM ISLAMIC STUDIES DESIGN

**ABM Islamic Studies & Tarbiyah Syllabus** includes the subjects on all the aforementioned topics which bear the academic excellence along with lots of exercises for Tarbiyah as per the age group of the child.

This syllabus has been prepared with the help of many classical books, viz., Usoole Salaasah - The Three Principles, The 40 Ahadith of Imam Nawawi, Aqeedah Tahaaviyyah etc, thus making the syllabus more meaningful and so much more beneficial, In-Shaa-Allaah

## ABM ARABIC LUGHA DESIGN

**ABM Arabic Lugha (Language) & Tarbiyah Syllabus** is developed in a format that encourages children to acquire Arabic linguistically from childhood. It is aimed at removing the Arabic-phobia so that children may freely speak, read, write and understand Arabic without the support of a translation.

ABM syllabus starts from Nursery and ends at Grade 9, so as to give more time and space for main stream subjects in Grade 10 for children appearing in board exam.

## ABM SUPPORT TO SCHOOLS

A team of scholars is available round the year to support the teachers and the school for all kinds of clarifications regarding the syllabus. Especially for the curriculum of Arabic Lugha (Arabic as a language), a Teacher's guide in English and Urdu is provided and also online & onsite teacher training programs are conducted as per the need.

## ABM SYLLABUS REVIEW

**Alhamdulillah**, a committee of scholars has reviewed this book. They have added productive pieces of advice wherever necessary and care has been taken to avoid all kinds of issues & matters relating to difference of opinion among the different schools of thought so that everyone among the Ummah is benefitted, In-Shaa-Allaah.

Academicians and industry professionals have individually reviewed these books with special attention and they have omitted and added the text wherever necessary which has made the books appear very easy to learn from and highly beneficial for application and create a society that encourages tolerance and peaceful coexistence with people of all faiths. Each lesson is critically analyzed on the aspect of national security and care has been taken to respect the law of the land and at the same time not compromise on the Islamic shariah.

## ABM SYLLABUS BOOK DESIGN & PRINTING

Efforts were made to design the books as playful, colourful and attractive as possible with illustrations matching modern psychology of the children within the parameters of shariah. High quality of paper used and state-of-art printing enhanced and complimented both, the design and the content making these books child-friendly and match the international standards. All the books come with ISBN codes and are priced competitively following the market trends.

## ABM ISLAMIC STUDIES FOR HOME SCHOOLING

ABM Islamic Studies for Home Schooling is a series of 10 books aimed at developing the basic Islamic knowledge of those children who attend secular schools, where they do not have the opportunity to learn Islam formally. They are designed with the combination of Arabic, Urdu and English with Roman transliteration so that anyone who can read and understand these languages can easily learn and teach from these books.

UNIT	PERIOD	PAGE Nos
UNIT 1	JUN – JUL	03 – 11
UNIT 2	JUL – AUG	12 – 20
UNIT 3	SEP – OCT	21 – 28
UNIT 4	OCT – NOV	29 – 37
UNIT 5	DEC – JAN	38 – 46

- ▶ It's not easy for the students in the pre-primary grades to read and write, therefore teachers are advised to teach with the concept of Talqeen.
- ▶ The teacher is advised not to expect the students to write but instead encourage students to just orally reply when any question is asked to them.
- ▶ The entire portion of the syllabus has to be completed within 8 months as per the above plan, from June to January of an academic year.
- ▶ February and March can be used as reserve time for absorbing holidays and extra curricular activities like competitions, school annual day, annual anjuman etc.
- ▶ Each Unit has to be completed within four weeks, and the subsequent two weeks are to be reserved for activities, exercises and exams etc, so that the lessons taught in the Unit are thoroughly memorised.
- ▶ Teachers are expected to do a preliminary study before teaching a particular lesson so that they implant the morals in the tender minds of the children in the light of Qur'an and Sunnah, so that they inculcate good manners, ethics and values right from childhood.
- ▶ Students should be given different activities, like:
  - ▶ Pasting words like **ALHAMDULILLA AH** on the thermocol sheets.
  - ▶ Pasting the supplications and Ahadith.
  - ▶ Colouring and decorating could be done.
  - ▶ Listen to the Nasheeds and grab words.
  - ▶ Role-plays, skits etc. can be conducted.
- ▶ Arrange weekly public-speaking exercise sessions with the title "**ANJUMAN TIME**". Both listening and speaking help, therefore, have the students listen and speak alternatively.
